

WORK WITH STEMAZING

INSPIRATION & INCLUSION

EVENT SPEAKER

30 - 60 min session (£499 - £699)

"YOU CAN'T BE WHAT YOU CAN'T SEE"

This informative and inspiring session engages the audience leaving them empowered to shine as role models.

The perfect motivator for people that want to 'give back' and leave a legacy by inspiring young people, but are lacking the confidence or tools to have maximum impact. We will cover the importance of diverse role models, common barriers to feeling confident as a visible role model and practical steps to delivering impactful and inspiring public engagement sessions. Up to 100 participants.

"THE 'I' IN INCLUSIVE"

This interactive session empowers the audience to play their role in creating a more inclusive workplace.

A more inclusive workplace benefits everyone. This session will inform and inspire your teams to become advocates for inclusion. We will cover the importance of diversity in STEM, common biases, microaggressions and what we can all do to become majority allies. Participants leave with their personal pledge for making a positive difference. Up to 100 participants.

INSPIRATION DIVERSITY INCLUSION

STEM AMBASSADOR TRAINING

30 - 60 min (£299 - £499)

"BUILD YOUR STEM TOOLBOX"

Support and empower your teams to develop their STEM engagement skills.

These sessions are a brilliant way to engage your teams in an interactive way - just for fun or with the intent to build their confidence and toolbox for STEM outreach. Your employees will have a blast whilst learning by doing each STEM activity or experiment themselves, including Key STEM messages for a Primary age audience.

Up to 100 participants live.

Choose 1 or 2 activities below per session:

- 1) Straw Rocket Blasters
- 2) Stemazing Structures
- 3) Discovering Density
- 4) Potential Energy Poppers
- 5) Amazing Aerodynamics
- 6) Air Jet Car.

Discount for bulk booking sessions.

STEMAZING MENTOR TRAINING

3 month programme (£397pp)

"MAXIMISE MENTORING IMPACT"

Online training, resources and monthly support calls for each mentor.

Mentoring is such a valuable process for both mentee and mentor. Empower your people to become truly effective mentors through this training and development programme that provides the tools and expert 1-2-1 tailored support to maximise their impact as a mentor. Includes access to online training videos and worksheets, plus 3 x 30min 1-2-1s to support the mentor.

(£249 for online training only without 1-2-1s)

WORK WITH STEMAZING

INSPIRATION & INCLUSION

STEMAZINGKIDS LIVE ONLINE 30 min (£299)

"BE A STEM SUPERHERO"

Highly interactive STEM inspiration session aimed at young children (Infant & Primary) delivered live via Zoom.

A fantastic way to demonstrate your commitment to developing the STEM pipeline at grassroots. This session can be offered to families of your employees to make a positive difference in your community. Children have fun creating their own STEM masterpiece using only basic resources, learn simple STEM principles and receive a STEMAZING completion certificate. Up to 100 families live.

"ENGINEER YOUR FUTURE"

Highly interactive STEM inspiration session aimed at older children (Secondary) delivered live via Zoom.

Give older children in your organisation's community the opportunity to be inspired by STEM. This session can be offered to families of your employees to inspire older children with the possibilities of a future in STEM. Children raise their awareness of the variety of options available to them in engineering and technology careers and also have fun doing an interactive activity using only basic resources. Up to 100 families participating from home live.

STEMAZINGWomen ACCELERATOR 6 month programme (£997pp)

"NURTURE YOUR FEMALE TALENT"

Programme of monthly 1-2-1 video calls, touch-base phone calls and mentoring circles to accelerate development.

It's common for women in STEM to experience imposter syndrome and under-estimate their value and potential. This accelerator programme will enable your valuable female talent to develop clarity and confidence in their personal potential and empower them to bring their whole self to work. This will maximise their impact to benefit themselves, their team and your business.

STEMAZING INSPIRATION ACADEMY Become a Sponsor

ROLE MODEL. UP-LEVEL. INSPIRE.
Extremely popular programme to empower women in STEM to shine.

Opportunity to sponsor the Inspiration Academy designed to build the confidence of women in STEM, enhance their public engagement skills and inspire young people through sensational STEM sessions.

Four month programme culminating in each role model running their own 6 week online STEMAZINGKids club to inspire 5-9 year olds.

Sponsor organisations receive guaranteed places for women in their network.

Tier 1 Sponsor £899 (includes 1 woman)

Tier 2 Sponsor £1,999 (includes 3 women)

Tier 3 Sponsor £3,999 (includes 5 women)
