

Stemazing Mentor Training

3-month programme to maximise
mentoring impact.

Effective mentoring is incredibly valuable for both mentees and mentors with proven benefits for the individuals and their organisations.

But, how do you ensure your mentoring is truly effective and not just a nice chat over a coffee that doesn't make real impact?

Be empowered to become a truly effective mentor through this focussed training and development programme that provides the tools and expert 1-2-1 tailored support to maximise your impact as a mentor.

Training

Enhance your mentoring skills and insight through online bite-size training videos you can work through at a time to suit you.

Toolbox

Grow your mentoring toolbox with easy-to-use resources that will help engage and enrich your mentoring conversations.

Tailored

Personalise your development journey with additional 1-2-1 support sessions to maximise your growth as a mentor.
